Entrepreneurship Development Programme

Date: - 04/06/2015

A 5 days Entrepreneurship Development Programme was conducted in collaboration with ICT Academy of Tamil Nadu in pursuance of Rajiv Gandhi National Level Youth Entrepreneurship Development Program under the initiatives Rajiv Gandhi National Institute of Youth Development from 29/06/2015 to 04/07/2015. A total of 36 students of different classes of undergraduate courses had participated in the programme. The NSS Programme Officer Mr. S. Nath had coordinated and conducted the whole programme, where Dr. B. K. Sen the principal of Tinsukia Commerce College and Mr. Ranjan Kalita had also taken some sessions to encourage the participants. As per the requirement of the programme a total of 8 participants have submitted their business plans for the national level competitions which was sent to the ICT Academy of Tamil Nadu. No, doubt not a single business plan could turn up as winner of the said competition, but it is encouraging that, our students have tried their best to join a national level competition with only 5 days preparation and inspiration. All the participants are awarded a national level certificate jointly by the "Rajiv Gandhi National Institute of Youth Development" and "ICT Academy of Tamil Nadu". This is the happy ending of the Programme. Some snapshots of the programme are presented below.

LUNCH WITH DIFFERENTLY ABLE CHILDREN OF 'SNEHALAYA' TINSUKIA

Organized by Tinsukia Commerce College, NSS Unit

**Date : 5th June, 2014 Time : 10.30 a. m. onward, Venue : Tinsukia Commerce College,
Tinsukia.**

'Snehalaya, Tinsukia is an NGO working for education, medical and rehabilitation of the differently abled children of Tinsukia which was established by a group of kind hearted people. There was a time when disability was considered as the consequences of sin in earlier birth. Time has changed now people want to explore the ability of the children, rather keeping aside by neglecting them Every child has the right to grow and live in comfort. Snehalaya, Tinsukia has been working with the disable children to teach them how to live with dignity. Tinsukia Commerce College is fortunate enough to get associated with such a prestigious NGO. Even, a number of employees of the college are life member of the organisation and holding some major post like President, working president etc.. As a token of love and affection to the differently abled children of Snehalaya Tinsukia and their social inclusion, the NSS wing of Tinsukia Commerce College has organised a feast on 5th June'2014. More than forty children along with their parents and teachers of Snehalaya attended the lunch.

A small programme was also organized for them where the children, Principal and Vice-Principal of Tinsukia Commerce College and the teaching and non-teaching staffs also participated. The programme was followed by the lunch at 02.30 p. m.

We witnessed a beautiful time with the children who only wish for a little more love. The afternoon was beautiful as they giggle, played, and danced with open heart. We can always provide them with little more of everything to make them happy, spend time with them and make them feel that they are also a part of our society.

A small video clip was shown of Nick Vujicic a differently abled person who does not have hands and legs but how happily he could be able to enjoy and live his life, for encouragement of the parents and the children of Snehalaya.

Celebration of World ENVIRONMENT DAY

Organized by

NCC & NSS Units of Tinsukia Commerce College

Date : 5th June, 2014. Venue : Tinsukia Commerce College,

Due to rapid industrialization and urbanisation the natural environment of many country is getting imbalance leading to environmental degradation. United Nations general Assembly had established World Environment Day on the starting day of United Nations conference on Human Environment in 1972 at Stockholm and for the first time it was celebrated in 1973. From the inception it is observed in different cities with different themes to popularise the importance of environment

protection and World Environment Day. The focus of the theme of 2014 World Environment Day was on **'Small Islands and Climate Change'** and the official slogan for the year is **'Raise your Voice Not the Sea Level'**.
