# TINSUKIA COMMERCE COLLEGE

Estd. – 1972

In half a century old existence, the college has grown into a multi-disciplinary institution having diverse professional, technical and arts programme from higher secondary to masters. Having completed 50 years of our golden period, in 2022, Tinsukia Commerce College – its constituents; we, are a family of some stakeholders – students at Higher Secondary, Undergraduate and Post Graduate levels in commerce and allied areas, some members, faculty and administrative, staff, parents and guardians and GB Members.

A College of Commerce in Tinsukia was thought of, in the year 1971 by some members of the Governing Body of Tinsukia College. An Ad-hoc Committee was constituted in 1972 with Late J. N. Bhuyan as President, and Late B. K. Saraswat as Secretary. The Committee decided to start the college under the name of Tinsukia Commerce College from the session 1972. Late Krishna Pada Dutta Chowdhury took the charge of the college as Honorary Principal. Perhaps he considered it prudent to accept the post with the idea of spreading and meeting the aspiration of students for commerce education in this remote corner of the state when there was no commerce college in its vicinity of the then Tinsukia Sub-division. The management of Senairam H.S School was kind enough to allow us to hold classes in its building. Thus, Tinsukia Commerce College was established on 21<sup>st</sup> August 1972 in Senairam H.S School with no fund and building.

In 1977, the Govt. of Assam was pleased to allot 35 bighas of land, which is now under the possession of the college,. On 01.02.1986, the college was taken over by the Govt. of Assam under Deficit Grant-in-Aid. Thereby, with effect from December, 2005 it has become a provincialized college under the Govt. of Assam.

Considering the demand of the society and neighbouring students we considered it prudent to introduce B.A. from the session 2011-12 under Dibrugarh University on self financing system..Apart from the regular mode of courses. we have also been offering M.B.A., M.A., M.Sc. (Math), B.C.A., B.A., B.Com. and various PG degree, diploma and certificate courses under KKHSOU, DODL-DU and ASOS for the last few years. Department of Higher Education, Govt. of Assam, has announced Science Stream in our college and degree courses for science, like B.Sc. have been proposed under Dibrugarh University by Govt. of Assam and soon will be functioning.

The college facilitates the students with – a well-equipped Football Ground, safe drinking water, canteen, generator facility, cycle stand, library with reading and internet facility, digitalized classroom and teaching, computer education, computer lab., health building instruments, day care, community centre, equal opportunity centre, boys' and Girls' common room, sports goods with gym facilities, educative programmes and a pollution-free campus. Our college has also been declared **Khelo India Small Centre** for football by Director of Sports and Welfare, Govt., of Assam in the year 2021.

Several MoUs have been undertaken like **Skillfinity, Gauhati; ICT Academy**, Chennai; K.C. Das Commerce College; **Tool Room & Training Centre**; Sripuria Football Academy; **Bosch India Academia-Industry Partnership**; **Career Mentor Educare & Training Pvt. (CMET)**, Maharastra; Assam Electronics Development Corporation Ltd. (**AMTRON**) and **Bir Raghav Moran College**. The college has also received **“One District, One Green Champions’ Award** in 2021-2022, under Mahatma Gandhi National Council of Rural Education. The college had undergone 2nd cycle of NAAC assessment on 28th and 29th March 2017. The Peer team assessed all the academic and non-academic aspects of the college and finally the college was accredited **Grade ‘B’**
